Once signed into Teams, you will see your school classes in the large boxes as shown above. This is within the 'Teams' section. Click on the first box to open a class.

Posts
Information about work set. You are able to post questions or comments.

Files
Find documents to help with your work such as help sheets and PowerPoint slides.

Class Notebook
Organise your learning. Create, view and edit your class notes and homework.

Assignments
Upload your work for marking. Shows assigned work and staff feedback.

Grades
Shows work due, if and when you have submitted it and your final mark.
