**Short paragraph of vision and ethos**

We are a small village primary school serving the community of Barlow and beyond. We are situated on the B6051 on the way from Chesterfield to Owlver Bar overlooking fields and woodland.

Our children come from Barlow, Chesterfield and the surrounding area. There are four small classes in school. Our talented staff team know the children well and work hard to help them achieve their very best.

We are a good school where our children achieve well and their personal development is outstanding. We aim to ensure each child achieves their full potential, gaining confidence and experiencing success along the way. Each child will experience a range of opportunities including sports, music and forest school.
