September 2023

For academic year 2023/2024. Access Policy Statement: Careers Guidance and Access for Education and Training Providers.

At Dronfield Henry Fanshawe School, we are committed to providing impartial careers advice for all students as part of a strategically planned curriculum and enrichment provision.

This includes information and education about the full range of learning and training pathways on offer to them in our changing world.

As part of this we are happy to consider requests from training, apprenticeship and vocational education providers to speak to our students.

We have a long history of nurturing close working relationships with providers to speak with students which may include school assemblies, careers conventions, employer and provider engagement events or opportunities to speak with students in careers lessons.

In the first instance, requests by providers should be sent to the School's Careers Lead, Kevin Pickles, Assistant Headteacher. Email: (kpickles@dhfs.uk) with a minimum 6-week lead-time.

All requests will be considered on the basis of staffing availability to support the activity, clashes with other planned activity, trips or visits to the school, interruption to preparation for examinations or rooming and space availability to host the activity.

Regards,

Mr K Pickles
Assistant Headteacher
