

Packing my bag

When should I pack my bag for school?

I should pack my bag in the evening so that I know I have got everything ready in plenty of time.

What should I do if I can't find something that I need?

I should speak to my parent/carer and ask for help.

How do I know what books I need?

Find the correct week on my timetable (A or B) or use the timetable on ClassCharts. Then look for the day to see what lessons I have. Find the books for each lesson.
