Success with Care

Headteacher: Mr M. J. Cooper

Ref: SGI

May 2026

Dear Parent/Carer,

Y9 Examinations 16-19th June 2026

Science - Tuesday 16th June pm

Maths - Wednesday 17th June pm

English - Thursday 18th June am

Reading Test - Friday 19th June (times during the day)

I would like to take this opportunity to wish your child the best of luck in their forthcoming Y9 Examinations. These assessments, in English, Maths and Science, represent an opportunity for students to measure their performance under the rigours of real exam protocol and thorough preparation for these examinations is vital. Mrs T Davies (Deputy Headteacher) will hold an assembly to go through the exam protocol to ensure students know what to expect.

Please visit the school website to see information regarding effective active revision techniques

[Dronfield Henry Fanshawe School - Effective Active Revision Techniques](#)

A personal examination timetable will be distributed via email and mentor trays; this lists all their exam days and room information. A full exam timetable will also be available for all students on the school website.

All students must attend normal lessons throughout these three days, except to attend their examinations. Students must return to timetabled lessons when each exam has finished. This will be monitored by exams office staff and the house teams.

May I take this opportunity to remind all parents and students that mobile phones, smart watches, or any potential technological/web enabled sources of information are strictly forbidden in any examination room and therefore, should be either left at home or switched off and placed in the student's bag and/or locker. Failure to adhere to these rules could result in disqualification. In addition to this, please note that the school does not accept responsibility for any such items brought on site at any time.

Please do not hesitate to contact the exams office should you have any queries.

Yours sincerely

Mrs S E Gill

Examinations Officer
