Priority Service 2 with post-review of marking copy of script	
RoR Service 3 : Review of moderation	This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. It is not a re-moderation of candidates' work. (This service is not available on the work of an individual candidate or the work of candidates not in the original sample)
ATS: Copy of script to support review of marking	This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.
ATS: Copy of script to support teaching and learning	This is a non-priority service to request copies of marked scripts to support teaching and learning.
