| | V Level Digital Systems & Data | | Core Maths | | Physics |
| | | | | | Core Maths |

**Please be aware that the options above are subject to student choice, staffing and timetabling requirements and can change**

Extended Project Qualification – EPQ will be added once we know student numbers

To use the option blocks, you select one subject in a block, for example **Biology block 1, Chemistry block 2 and Maths block 5**

You cannot not select subjects in the same block, for example **French and Philosophy in Option Block 1** as they are being taught at the same time.

If you have any question, please feel free to contact the Sixth Form team on SixthForm@dronfield.derbyshire.sch.uk
