Success with Care

Headteacher: Mr M. J. Cooper

5th March 2024

Dear Parent/Carer,

**Revision and Well-Being Evening
For Parents, Carers and Students
6.30-7.45pm on Wednesday 13th March 2024**

As a parent or carer of a student about to embark on a series of very important examinations, you will already be aware of the pressures placed on young people today and how challenging it can be supporting them during this time. As a school founded on the philosophy of 'Success with Care' we want to provide a timely opportunity to share information and strategies relating to the following:

- The common signs of stress to look out for and how to avoid or reduce it
- How to identify and support over-revisers and reluctant revisers
- How to prioritise revision and make it really work for each child
- How to revise using active revision techniques that help long-term memory and are supported by evidence of success
- How parents and carers can support their children during revision and exam preparation
- An opportunity for you to feedback to us on how we can support children as they prepare for examinations.

The session is designed for parents, carers and Y11, Y12, Y13 students. The session will be most useful for attendance by your child. Consequently, we hope that by the attendance of students, parents or carers and ourselves, representing the school, we can ensure that students feel fully equipped and supported from home and school ahead of the final examinations – leading to greater personal success.

Ideally, we feel that a face-to-face session would be most valuable, across one or both of our halls. However, to gauge how many families would be interested in this attending a face-to-face session, please complete this very short survey by Monday 11th March at midnight: <https://forms.office.com/e/7JPJPyvpjL> or please use this QR code

We are grateful for your continued commitment to working with us with regard to your child's education and look forward to seeing you at this important event. If you have any queries, please do not hesitate to contact us.

Yours sincerely,

Mr James
Associate Deputy Headteacher
Quality of Education
