Y8 boys' football team continue winning run!

The Y8 boys' football team have experienced some great successes recently and this season is also looking very promising! The following reports are from two of the players from the Y8 team: **Jack Newton** and **Elias Wileman**. Please read on as they detail their fantastic experiences of playing for school...

Guest reporter: Jack Newton

"I love playing football for the school. It's like playing with my best mates. We are a strong side made up of brilliant individual players; when we come together we play so well as a team because we've played with each other for nearly 2 years, so we all know everyone's strengths and play to them. I've got some amazing memories playing for school - especially when we won the County Cup at Derby County's training ground last year. I can't wait to make more memories with the boys and I'm looking forward to the future playing for Henry Fanshawe!"

Guest reporter: Elias Wileman

"I am very happy about playing with the Y8 team because we are all good mates and it is very enjoyable. I am proud to play for Dronfield Henry Fanshawe School as we have some great memories, especially when we won the Derbyshire County Cup at the Derby County training ground! It has helped me as a player, making me better and also allowed me to make new friends. I am excited for what is to come in the future and for new memories to be made!"

The Y8 team are into round 7 of the ESFA National Cup and continue to progress in the Derbyshire County Cup this year too!

Keep up to date with results from all our other football teams via our twitter page! DHFS PE dept.

Netball fixtures are underway!

There has been fantastic attendance at netball training and fixtures this term! With students competing in many tournaments and matches, there has been lots to celebrate!

See results table below:

Team	Wins	Draws	Losses
Y7	8	2	4
Y8	5	1	0
Y9	2 Tournament winners & runners up	0	0
Y10	1	0	1
Y11	5 Tournament winners	0	1
Sixth form	2	0	1

Congratulations to the following students of the term!

These students have consistently shown high levels of effort and outstanding attitudes to learning in PE and extra-curricular activities this term!

Students of the term 1

Y7: Beatrix Loxley and Jackson Thorpe

Y8: Alex Compai and Elizabeth Green-Hodgson

Y9: Luke Statham and Jessica Pinder

Y10: Derek Garcia Berihuete and Luella Barrett

Y11: Billy Barlow and Ruby Smith

Students of the term 2

Y7: Lily Cavill and Rafe Pratt

Y8: Mia Whitworth and Oscar Marsh

Y9: Hannah Lumley and Will Collins

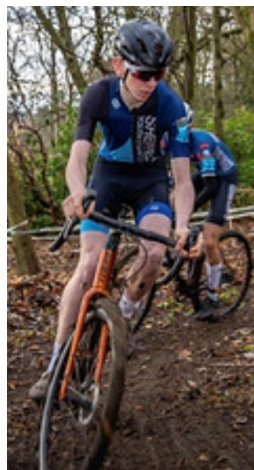

Y10: Alice Godwin and Leo Harper

Y11: Izzy Mills and Ed Grayson

Individual successes: Mikey and Rosie

Both Mikey and Rosie compete in track cycling and Cyclocross (cross country racing on bicycles). They are regularly involved in training or competitions at weekends and are very dedicated athletes!

Most recently, Mikey has been offered a training opportunity on his track bike at the velodrome at Derby! What a fantastic opportunity and best wishes to both in their next competitions!

Ella qualifies for British Gymnastics Championships!

Congratulations to Y7 student Ella Kenny who has qualified for the British Gymnastics Championships which are to be held next year. Ella trains at Dronfield Gymnastics academy and recently competed in her voluntary level nationals finals in Surrey. As a result, she has now completed the elite pathway and has qualified for the British Championships which is to be held in Liverpool in March 2024!

This is a huge accomplishment as at 11 years old, this is the youngest age possible to achieve these goals. Ella trains 23 hours a week and she says this is her biggest achievement so far - well done Ella we are very proud of you!

Dates for your diary...

- ◆ **Extra-curricular autumn/winter timetable has started!** Decide which clubs you want to attend - find the timetable on DHFS website, displayed outside both PE offices and on the PE TV screen.
- ◆ **Ski trip 2024:** 13th - 20th January 2024
- ◆ **Sports Day at the EIS:** Monday 8th July 2024
- ◆ **Sports presentation evening:** date to be confirmed

Some more successful teams...
