28th February 2024

Dronfield Henry Fanshawe School Careers Convention 7th March 2024 5pm-8pm.

We are once again delighted to be holding our evening Careers Convention event at Dronfield Henry Fanshawe School. In 2024, we are especially proud to be able to welcome approx fifty guests and exhibitors into our school from a wide range of colleges, training providers, apprenticeship providers, employers, and universities. The value of the event is enormous in future career planning, and pathways after students leave school.

Students and their families are invited to visit at any stage during the evening.

Students from all year groups will find advice and help concerning their future career plans throughout the event.

We strongly believe that both employers and students can gain valuable insight into each other's needs from an event such as this. A careers convention is also a particularly good exercise in making students and the community more aware of industry, commerce and business and the employers who operate in our locality.

These events have proven to be very popular in the past with advisors from many areas of industry, business and commerce attending. With the event they have been able to share their knowledge and experience with students and the community, in a friendly and informative atmosphere. We therefore encourage students and their families from all year groups to come along.

Yours faithfully

L. a. Broomhead.
