Success with Care

Headteacher: Mr M. J. Cooper

1<sup>st</sup> July 2024

Dear Parents, Carers and Students,

## **Re: Year 10 Enrichment Day**

We are writing to inform you of our plans for the Year 10 Enrichment Day, which is scheduled for 8<sup>th</sup> July 2024. During the day, your child will follow a carefully planned programme which will focus upon the PSHE 'Big Idea': '**Staying Safe**'. The day will include the following topics:

- First aid – CPR refresher
- Male health – monitoring
- Female health – monitoring
- Organ donation – blood and stem cell
- Sleep

Enrichment days often raise highly sensitive subjects, and this may lead to your child asking questions at home. We take great care in the delivery of this content, and in our support networks at school, but please be aware that your child may come home with questions to discuss with you. The issues are raised and discussed in an appropriate manner for the year group involved and a network of support professionals will be available in school during and after the day.

We would also invite parents and carers to read information found on our website to support your discussions and provide further guidance from the appropriate external sources.

[Dronfield Henry Fanshawe School - Wellbeing \(dhfs.uk\)](https://www.dhfs.uk)

Students will be able to get a cold lunch of sandwiches from the Grab and Go at school as normal, but are welcome to bring their own food if they wish.

In the meantime, please contact me directly at [rburgoyne@dhfs.uk](mailto:rburgoyne@dhfs.uk) with any queries that you may have.

Yours sincerely,

**Rachael Burgoyne**  
Curriculum Leader for PSHE
