This session will give students and parents/carers important information about the day-to-day life of a Y7 student and you will also hear about Class Charts, enrichment, the mentor time programme as well as having an opportunity to ask questions. Student Ambassadors will be on hand to guide you to your child’s mentor room location (**see overleaf**).

We ask that families arrive to their planned sessions promptly. Where possible, families are asked to walk onto school site.

Please refer to the table below for your child’s mentor room location. For example, if your child has been allocated BAG1 their mentor is located in ‘E2’.

The letter of the room corresponds to the block it is situated in. E.g. E= E-block. Blocks of the school buildings can be found on the attached Floor Plan. All of our rooms are clearly labelled. Please ask for help from Student Ambassadors or staff if you are struggling to locate a room, a map is available on page 4.
